

APRIL - THE POOR

“For there will never cease to be poor in the land. Therefore I command you, You shall open wide your hand to your brother, to the needy and to the poor, in your land.” Deuteronomy 15:11

The Need in Our City:

The population of Greeley has grown tremendously in recent years and is expected to double by 2050. This is exciting but has made affordable housing a growing concern for our community as rents continue to rise.

How We Serve:

For several years, St Pat's and other congregations in Greeley came together to build a house with Habitat for Humanity. Each church made a financial contribution to the project as well as contributing one day to the construction of the house and one day of meals for other workers. In 2020, St Pats has budgeted \$2,500 to help build the next house.

What You Can Do:

- Join us for a Saturday in April or May for the 2019 Faith Build
- Prepare a meal for Habitat volunteers one Saturday in May
