

FEBRUARY - THE VULNERABLE

“For he delivers the needy when he calls, the poor and him who has no helper. He has pity on the weak and the needy, and saves the lives of the needy. From oppression and violence he redeems their life, and precious is their blood in his sight.” Psalm 72:12-14

The Need in Our City:

If we learned anything in the last couple of years, it was that the number of women who have been sexually abused, harassed, objectified and marginalized is far greater than any of us knew. In a society that worships the idol of sexual freedom, we continually find new ways to create bonds of oppression.

How We Serve:

St Pats supports the Resource Center for Pregnancy and Personal Health which ministers to individuals and couples who find themselves unexpectedly pregnant or have contracted an STD. Additionally, a number of our members serve either on its Board or its Medical Advisory Board. In 2020, St Pats budgeted \$2,500 to support the Resource Center.

What You Can Do:

- Attend the Resource Center’s annual Gala on March 5th
- Volunteer at the Resource Center
